

NOTICES:

1) We welcome the the Rev'd Kevin Block from St Barnabas Church in St Catharines who is exchanging with our Rector who is there this morning. Father Kevin grew up in a stimulating Mennonite family, yet became an Anglican priest in the Diocese of Niagara where he has served in various parishes. Kevin is a good friend and colleague of Father William and we are delighted he can be with us this morning.

Many of the clergy from the region are having their monthly clericus meeting here at St Mark's this Tuesday. We begin with communion at 10 am to which all are welcome to join us. They will then have a cemetery tour with Donald Combe before lunch in the Rectory with The Rev'd Canon Martha Tartaric. She is the Rector of St George's St Catharines and will be speaking about her recently published book *'The Living Diet: A Christian Journey to Joyful Eating'*.

We also welcome Jim Bourne back as he is recovering nicely from his recent surgery.

2) Thanks to all who participated in the planning and organizing of the Spring Fling yesterday. The weather cleared perfectly and the day was successful on many fronts. More details to come.

3) Securing our Future. As discussed and approved at the Parish Council Retreat last Saturday, every parishioner and many friends of St Mark's will be receiving a letter this week from the Wardens. It outlines how generous many have been in the past, but the need for increased givings at all levels if we are to 'secure our future' ensuring that St Mark's is here for generations to come. The letters, detailed information about our financial situation, pledge cards and stamped return envelope are being sent this week. We ask for all parishioners to reflect on what St Mark's means to them, the many benefits provided to its members and the wider community, and the increased costs to keep up the ministry, the music, the administration, outreach and the maintenance of our community. The Wardens are asking all to respond to this request by June 10th or contact them or members of Parish Council for more information. THANK YOU

4) Cherry pies making for our Cherry Festival (July 6th): volunteers are still needed. Please, come on May 13, 27 at 8:30 am to Addison Hall with your own rolling pin and apron if you are willing to help. The lard donations will be also appreciated. We are also looking for the volunteers to help with cherries pails and pies transportation on Wednesdays and Thursdays mornings. Please, contact Diane Turner at (905) 468-4945 if you can help. Thank

5) We are working on 2019 updated list of all parishioners. If anyone does not want your personal information (phone number, mailing address, e-mail address) shared, please, advise the office. Please, those volunteers and Groups, who did not submit "Volunteers Time Sheets" for April, do so and continue going forward. Please, contact Allan Magnacca, if you have any questions at: (416) 727-0839.

6) May 26 - St. Mark's and the Polonia Canadian Institute for Historical Studies will celebrate the life and work of Elizabeth Caroline (Masters) Ascher. Please, come to 10:30 am Service, the dedication of Memorial Stone and Reception in Addison Hall will follow. Please, RSVP to: donalddcombe@me.com

My sheep hear My voice, and I know them,
and they follow Me. And I give them eternal life,
and they shall never perish; neither shall
anyone snatch them out of My hand.
